Home Mission Notes

February has been a really good month for the Asher family. We were able to stay closer to home this month.

Early in February Tom spoke at St. Michael's Lutheran Church. Pastor Gibbs and the congregations made him feel so cared for.

Later that same week he spoke for the Emmanuel Christian School chapel service. It was wonderful to see the energy with which youth on fire for the Lord can pray. Many of the youth became part of our prayer partner team. Perhaps some of them will be missionaries of the future.

We were also able to speak to the Lambertville United Methodist Church board. They have a love for missions at that church. The Lord will bless them for it.

One of our previous pa-

tients, Shelly, and her friend Jill, hosted the youth group from Bedford Alliance Church for a wonderful authentic African meal. They worked very hard and the results were awesome. Wonderful food and wonderful fellowship.

And at last, but certainly not least, we were able to speak to our own church, Whiteford Wesleyan Church in Ottawa Lake, MI. The response was overwhelming to us. What a blessing to be part of a praying church. Surely the Lord will honor their prayers for us!

As we continue to speak the Lord continues to make us more at ease and daily proves to us that He is in charge and will continue to care for us. We are anxious to go but his timing is perfect! Tom has been working some shifts in the Emergency Room at Flower Hospital. Although we are anx-

ious to get to the mission field this experience can only help with his skills in emergency patient care.

We are presently scheduling more speaking engagements. If you would like to see where we will be click [here](#) then click on missionaries and then schedule. If you would like us to come to your church or group to speak please call us!

So What Is Next?

Sunday we will be speaking at Countryside Wesleyan Church. The following weekend we will be going to upstate New York to visit with Pastor Randy Anderson and his family. We hope to be home in our own church for Palm Sunday.

And then on March 18th we leave for Africa. Two of our support team members have

offered to drive us to Chicago. This enables us to take 3 70lb. suitcases instead of 2 50 lb. suitcases as our flight will be international instead of domestic.

We have been carefully packing medical supplies, medications and food. Tom found out that a box of Kraft macaroni and cheese can cost \$4.50 in Africa

so he is in favor of packing a lot of food and only a few clothes!

Marc is still looking at colleges. He went to WVU this past weekend and spoke with the Army recruiting officer there. Next week he is going to visit Indiana Wesleyan Univ. We pray the Lord will make clear His plans for Marc.
